AFRICAN HERITAGE TWINNING COMMITTEE

SPOOK ROCK GOLF COURSE

Our award-winning, 150 acre golf course is located on Spook Rock Road in the Village of Montebello. It sits on the former site of Kane's Open, the first boy scout camp in the United States.

Spook Rock, selected as one of the best public courses in the country by Golf Digest, provides a challenge to golfers of all levels. Whether you're a scratch golfer, or a newcomer to the game, Spook Rock's fully stocked and staffed pro shop, lighted driving range, practice greens, full service snack bar, and our exquisitely maintained, par 72 course, will keep you coming back.

GOLF AND MORE.....

The money you have donated by either playing golf, or taking an ad, or buying a hole or tee, will help the Twinning Committee to defray the cost of our cultural exchange program among high school students in the African Diaspora.

Your support this past year enabled us to send students to and host six students from our "twin" Town, Ashale Botwe, Ghana.

We plan to send several students to another country within the African Diaspora next year.

I would like to sponsor a:

Hole @ $100.00_____

Tee @ $50.00_____

I/we would like to attend the dinner only.
Please reserve for me:
(# of dinners) @ $40.00 per person.___
FOR MORE INFORMATION, PLEASE CONTACT) **CHRIS SAMPSON 845-357-5100 ext 263 (Day)**
